like the purpose
in the last para
of his letter. It is suggested that the Hort. Society
should be under an Opt. Chairman, especially as
Govt. are making a grant annually and the
half yearly shows require proper control and
guidance. Mr. Kumbhal may therefore be requested
to resign his chairmanship.

As regards his successor, it is for consideration whether
Subdt. Govt. Gardens may be made the chairman.

Dear Sir,

On the formation of the Horticultural Government were ---- pleased to sanction the supply to the members of plants and seeds from the Lal-Bagh at half catalogue rate.

Members had also the use of the Library, and the Director's Office is used as a meeting place.

The Glass House is placed at the disposal of the Society for their Shows.

In view of this close connection of the Society with the Lal-Bagh, it was decided that the Superintendent (now Director) should be the permanent Chairman of the Council and the Assistant Superintendent the Secretary.

Now that the work of the Society and its connection with sections of the Lal-Bagh are fully organised and are working, I consider that the object will be served if the Superintendent as Official Secretary, and it would be expedient and stimulate interest among the members if they were permitted to elect Non-Official Chairman.

As I have to relinquish my Official Chairmanship on my leaving in February 1933 when the Society could arrange to elect a Chairman along with the election of the Council or the to give the Council the privilege of electing a Chairman from their own members.

Yours Sincerely,

B.T. Kesava Iyengar
